

15 Years of BMFI

Across

- 1 Number of big screens at BMFI
- 3 This Main Line-native and longtime collaborator with Noah Baumbach has visited BMFI multiple times
- 4 Nearly 9,000 third-graders have visited BMFI to "see, hear, __ film" since 2005
- 9 BMFI shares a March 12 birthday with this actor who is a triple-threat on stage and screen, just like her late mother
- 11 Titular star of this 2018 doc is no Diana Ross, but is a longtime member of the Supremes
- 12 Knighted actor who cut the ribbon during BMFI's grand opening in 2005 (surname)
- 14 Daniel Craig will revise this role for the final time in November instead of April as previously planned
- 15 This anti-nuclear war satire was the first film shown when Bryn Mawr Film Institute opened
- 16 This local cinema organization helped get BMFI on its feet during the early years, and remains a valued partner and colleague to this day
- 17 This director makes an annual appearance in a BMFI film series every summer
- 19 This indie director's next film is slated for a July release, and is featured in a BMFI film series and course in June
- 22 One-woman show that has "infested" theaters at home and across the pond
- 24 The Stage on Screen presentation with the most encores in BMFI history stars this actor as Queen Elizabeth II
- 26 This actor visited BMFI between the releases of THE DEVIL WEARS PRADA and A QUIET PLACE, which her husband directed
- 27 "Sometimes ___ can be a real cool hand." - Paul Newman in COOL HAND LUKE
- 28 Piece of film equipment, invented by friend of BMFI Garrett Brown, that makes possible long, smooth tracking shots
- 29 BMFI's founder and "fine companion" (surname)

Down

- 1 Harrison, John, Gerald, or Barry M. (supporter of BMFI's children's visual literacy program)
- 2 In 2017, BMFI screened a 35mm Technicolor print of SINGIN' IN THE RAIN from the personal collection of this actor, who also starred in the film
- 5 The type of shot that is used to orient viewers and set up a scene, or even an entire film
- 6 BMFI presented this 7+ hour Soviet film in its entirety as a marathon screening in the summer of 2019
- 7 "There is no ___ in the bang, only in the anticipation of it." - Alfred Hitchcock
- 8 "Sunny" Jersey native who visited BMFI in 2007 with his cast-mates from a locally set hit TV show
- 10 "Neely! Neely ___!" - Patty Duke in VALLEY OF THE DOLLS
- 13 In 2015, this Oscar-winning actor/director captivated audiences with memories of being blacklisted during the McCarthy era
- 18 The film immortalized in the hand-crafted mosaic in BMFI's concession lobby
- 20 This former prez of the AMPAS visited BMFI in 2015
- 21 BMFI's marquee, an historic replica of the original 1927 marquee, is named for this generous family, made possible by their late doyenne with a famously green thumb
- 23 This is the coordination of one shot with the next
- 25 Thousands of fans have seen this plucky nun twirl in an alpine field since 2005
